

News

Stay up to date about the latest news, developments, and opportunities at ProDVX

Hi <<First Name>>,

Welcome to the December edition of the ProDVX newsletter. With the festive season just around the corner, we'd like to share some final updates and news before we wrap up 2024. From all of us at ProDVX, we would like to wish you a joyful holiday season and a happy New Year!

This month's topics:

- [Closing dates during the holidays](#)
- [Join us at ISE 2025](#)
- [From stock to build-to-order](#)
- [From BTO to end-of-life](#)

Click the topic to navigate directly to it.

Closing dates: holidays

Plan ahead for timely deliveries

Our office and warehouse will be closed on **December 25th and 26th, 2024** for Christmas, as well as on **January 1st, 2025** for New Year's Day. Our warehouse is also closed on **December 27th, 2024**.

Please note that orders and shipments will not be processed on these dates.

Additionally, our factory will be closed for Chinese New Year **from January 29th to February 16th, 2025**. As a result, lead times may be longer during this period. We recommend placing orders in advance to ensure that products arrive on time for the start of your projects.

Thank you for your understanding. From all of us at ProDVX, we wish you a joyful holiday season and a happy New Year!

Join us at ISE 2025

You can find us in hall 2, booths 2L100 & 2L200

We're excited to announce that ProDVX will be present once again at Integrated Systems Europe (ISE) 2025. This time, not with one but with two booths! Visit us **from February 4-7 in Hall 2 at booths 2L100 and 2L200**. Discover cutting-edge technologies, live demonstrations, and new innovations. Claim your free tickets [here](#) using code **JK8PWUJA**.

We look forward to seeing you at ISE 2025 and sharing this incredible experience together. And stay tuned. We will reveal more information soon!

Build-to-order & End-of-life

From stock to build-to-order

As we have significantly improved the performance of our latest products, some of our previous models are no longer available from stock. [Here](#) you can find an overview of all our build-to-order items.

From build-to-order to end-of-life

As the RK3188 and RK3368(H) CPUs are end-of-life, we can no longer manufacture some of our previous Android devices. This also applies to OEM products using these CPU models. [Click here](#) for the list of end-of-life devices.
