

Innovations we showcased at ISE 2025

ISE has wrapped up, and the reactions to our (new) products have been overwhelming. A huge thank you to everyone who visited us. Check out **this video** for a glimpse of ProDVX at ISE 2025. Next year, you can find our booth at the exact same spot again!

Keep reading to discover our key highlights from ISE, including the world premiere of the S-Series, ePaper solutions, and the UW-80!

World premiere of the S-Series

We unveiled our brand-new Android Panel PCs: the S-Series. This series has a new modern design and includes features such as a highly responsive direct-bonded panel, an AI-ready NPU, individually controllable LEDs, a radar motion sensor, and much more. Learn more **here** or pre-order your device now!

Partners showcasing our hardware

SONY, Easescreen, GoBright, Interstate Audio, Joan Workplace, Kuiqmeeting (Aiotron), MVI AudioVisual, NETGEAR, PADS4, ConnectSignage, and Telelogos all showcased our hardware at ISE 2025. Visitors could see us in 5 out of 8 halls!

ePaper solutions showcase

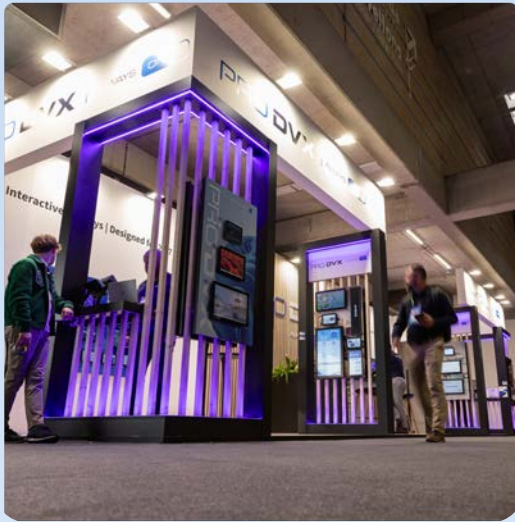

We also showcased our two new ePaper displays: 31,5 inch and 13,3 inch. ePaper is an eco-friendly choice, and our devices come with a modern design and offer high contrast. Both received positive reactions from the public! Stay tuned for more information.

Control panel solutions Sennheiser Mobileconnect & Dante

We partnered to showcase new solutions, including the Sennheiser MobileConnect for personalised audio, an interactive touchscreen with Interstate Audio's NewHank DCon Series for audio over IP, and the ACX Neutrino Series processor for advanced signal processing and network integration.

More interactive display solutions

Additionally, we showcased our portable conferencing device with Mago, conferencing solutions with MVI Audiovisual, and the UW-80 concept. We also demonstrated ChromeOS Flex and Windows 11 running on our powerful Intel 6000 Series, highlighting their compatibility and efficiency for various business needs.

ProClub partner booth

A big thank you to Comeen, FAR Networks, Netisse, Korbyt, PADS4, and YAROOMS for representing our ProClub booth and demonstrating how their software seamlessly integrates with our display solutions. Your presence made this event truly special!

Club du Digital's Happy Hour

Last but not least, we had the pleasure of welcoming Club du Digital members to our booth for an exclusive networking happy hour. A unique opportunity to exchange ideas, build connections, and showcase our latest interactive display solutions in action!

Find us at the same spot at ISE 2026

We absolutely loved ISE 2025. It was a great success, and we're already excited for next year, where you can find us at the exact same spot again.
