Share your event calendar

Let's team up for your upcoming events!

We're already halfway through 2025 and have had the pleasure of supporting some great events together. We're excited to keep the momentum going in the second half of 2025! Do you have any events planned in the coming months — confirmed or tentative? **Let us know how we can support you, whether with devices, marketing materials, or on-site presence.**

Please share your event calendar with your account manager or email us at marketing@prodvx.com and receive marketing support and demo devices for your events.

Case study: European Council

European Council benefits from fully automated conference solution

European Council meetings are dynamic, high-stakes gatherings involving hundreds of participants. Efficient organisation and clear communication are crucial. To meet these demands, MVI AudioVisual, AVIO MEDIA, and ProDVX combined their expertise to develop a fully automated conference solution that ensures a smooth, high-end experience. [Read the case](#) to learn more.

More news

Meet our new partner: Planon

We're proud to welcome Planon to the ProClub. Together, we offer integrated solutions for room booking and visitor management, empowering organisations to optimise buildings across sectors such as corporate real estate, facility management, and higher education.

Temporary reponse delays

Please note: Due to high demand and team training during the summer months, our response times may be longer than usual between June and August. We appreciate your patience and understanding as we continue to support you as efficiently as possible.

S-Series supporting AI-driven apps

In our latest S-Series video, Sadry explains how the S-Series is designed to support AI-driven applications without compromising on security. [Click here](#) to watch the video.

Q3 Price List now available!

We have updated our Q3 price list. For more details or to request a copy, please reach out to your account manager or contact us at sales@prodvx.com.

Marketing news

New UW-24 content now available!

We're excited to share photos from one of our latest case studies, showcasing the UW-24 in action. Feel free to use these images for marketing purposes, including social media, email campaigns, advertisements, flyers, and more. Click the photo below to download. Additional images are available in the [ProClub portal](#) or can be requested via marketing@prodvx.com.

Highlight key features with these new icons

We've also added our new ProSECURE and ProSURANCE icons to use in your marketing materials. These icons help highlight key product benefits and showcase how ProDVX differs from competitive brands. You can find all icons in the [ProClub portal](#) or request them via marketing@prodvx.com.

If you require any co-branded content, contact us, and we can customise it for you! If you're looking for any content like photos, banners, social media visuals, videos, and whitepapers, check our marketing portal.

Build-to-order & End-of-life

From stock to build-to-order and end-of-life

As we have significantly improved the performance of our latest products, some of our previous models are no longer available (from stock). [Click here](#) for the list of end-of-life devices and [here](#) for an overview of all our build-to-order items.

If you have any questions, please get in touch with your account manager or our [sales department](#) for assistance. For an up-to-date overview of products in stock, visit our [product page](#).

Thank you for reading this e-mail :)
