## Order S-Series now

**The S-Series is in stock - order now!**

The wait is finally over! The S-Series - featuring a full surround LED bar, radar motion sensor, and a range of innovative features - is now available to order. Choose from four available models: 10S, 10SF, 10SFN, and 10SFA.

**Special offer: free 1 year license to ProMGR Cloud**

Every device that's part of the S-Series now includes a free 1-year license to ProMGR Cloud, the ProDVX remote device management tool. With ProMGR Cloud, you're able to securely deploy and manage devices in the field. Claim your license now - contact your accountmanager or get in touch with us via sales@prodvx.com.

Still deciding? Take a closer look at the S-Series videos, where our Product Development Manager Sadry showcases the newest features. Watch the videos about these features:

- Reduced volume & slimmer bezel
- Full surround LED bar & direct bonded display
- Hidden I/O ports & cable covers

You can download the latest S-Series video by clicking here, in the ProClub portal, or requesting the file via marketing@prodvx.com.

**Order S-Series now**

**Efforts that offer peace of mind**

ProDVX is proud to introduce ProSECURE and ProSURANCE. Discover our industry-leading efforts that guarantee the safest Android devices available today, and our comprehensive measures to ensure that our devices are Always On.

**Introducing ProSECURE: the efforts we make to deliver the safest Android devices available today**

ProSECURE includes a standard security and support service that comes with all ProDVX Android devices. With ProSECURE, you avoid unnecessary hardware replacements, keep devices running securely, and rely on ProDVX's proven track record for over 20 years.

- Extended 3-year Android security & support service on AOSP devices
- Continuous monitoring, secure patching, and firmware updates
- Secure network authentication with IEEE 802.1X LAN and Wi-Fi support
- Out-of-the-box security-first configuration
- Enforced device-level security policies with ProMGR
- Secure and free provisioning

If you're interested in learning more about this feature, click here.

**Introducing ProSURANCE: hardware assurance package**

ProSURANCE is a standard hardware assurance package that guarantees dependable design, extensive testing, and robust warranty support. With ProSURANCE, you can trust every deployment to perform — day in, day out.

- Extensive testing and durability checks
- Standard 3-year warranty
- Priority technical support
- Designed for 24/7 use
- Watchdog functionality on AOSP Models
- Long product lifespans

If you're curious how ProSURANCE supports your hardware strategy, read more about it here.

## New gold partnership with software provider mediaDIALOG!

We're excited to announce our new gold partnership with leading software provider mediaDIALOG! Their innovative *raum]für[raum* platform is a secure and sustainable solution for booking and managing workspaces, meeting rooms, and resources.

We look forward to achieving success together!

## Over 100 ProDVX displays in Wroclaw University

Wrocław University of Economics has enhanced campus efficiency by partnering with SimpleAV and ProDVX to implement over 100 displays across its classrooms and lecture halls. Our Android devices are used for room signage, AV control, and centralised management of lighting. If you'd like to learn more about this project, read our full case study here.

# Marketing news
