FM-10S
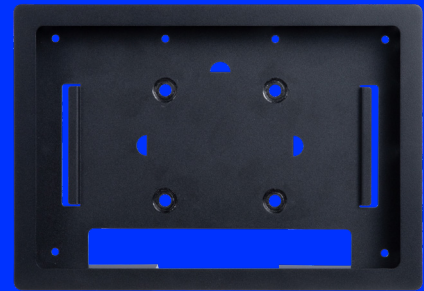

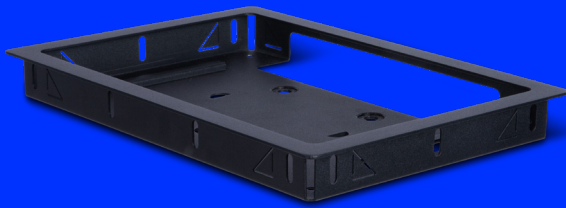

Flushmount bracket for S-series

Accessories

Product Overview

The FM-10S is a metal flush mount that allows you to mount our APPC-10S-series in a drywall or other material.
With the mounting holes and drywall fixtures, the FM-10S can be used in various situations and scenarios. The Flush mount is also easy to remove for maintenance.

Specifically designed to securely fit compatible 10 -inch APPC S-series models fordrywall and other material installations.

Constructed with high-quality metal for reliability and long-term use.

Designed for quick removal, allowing efficient servicing or upgrades.

Includes mounting holes and drywall fixtures to support diverse installationrequirements.
